

## What To Do If You Find A Live Stranded Marine Mammal

BDMLR is an organisation dedicated to the rescue and well-being of all marine animals in distress around the UK.

Please note the place, the state of the tide and any injuries you can see without getting close and call 01825 765546 during office hours.

After 5pm on working days, or at weekends or Bank Holidays, please call our out of hours number on 07787 433412 (NB: this number does not receive texts or pictures). We will then advise you on what to do and will get a trained medic out as soon as possible.
